### IFNA Accreditation effective May 2015 – May 2020

Anesthesia education programs holding Level 3: IFNA Accreditation have met eligibility and application requirements for IFNA Accreditation. Recognized programs have also undergone a successful self-study and on-site visit to demonstrate substantial compliance with “IFNA’s Educational Standards for Preparing Nurse Anesthetists”. Information about the curriculum is current at date of application.

### CURRICULUM OVERVIEW

#### Credential: State Diploma in Nurse Anesthesia (60 ECTS)

The specialist educational programme for nurse anaesthetists consists of 6 months of clinical introduction, followed by 18 months of theoretical and clinical education.

Theory	Topics	Hours
Introduction to nurse anaesthesia	Basic anaesthesia technique, anaesthesia drugs, physiology, airway management, technical equipment, monitoring	60
Scientific theory module	Anaesthetic considerations for selected patient groups, anaesthesia and systemic disease, patho- physiology, clinical pharmacology, special anaesthesia considerations	156
