IFNA Recognition effective: October 2014 – October 2019 extended to October 2020

Due to a significant change of faculty, the program was given an extension for one year.

Anesthesia education programs holding Level 2: IFNA Recognition have met eligibility and application requirements for IFNA Recognition. Recognized programs have also undergone a successful curriculum audit to demonstrate substantial compliance with the “Curriculum Standard” in the Educational Standards. Information about a program's curriculum is current at date of application.
